Welcome to **Maktub Engineering & General Supply Limited**

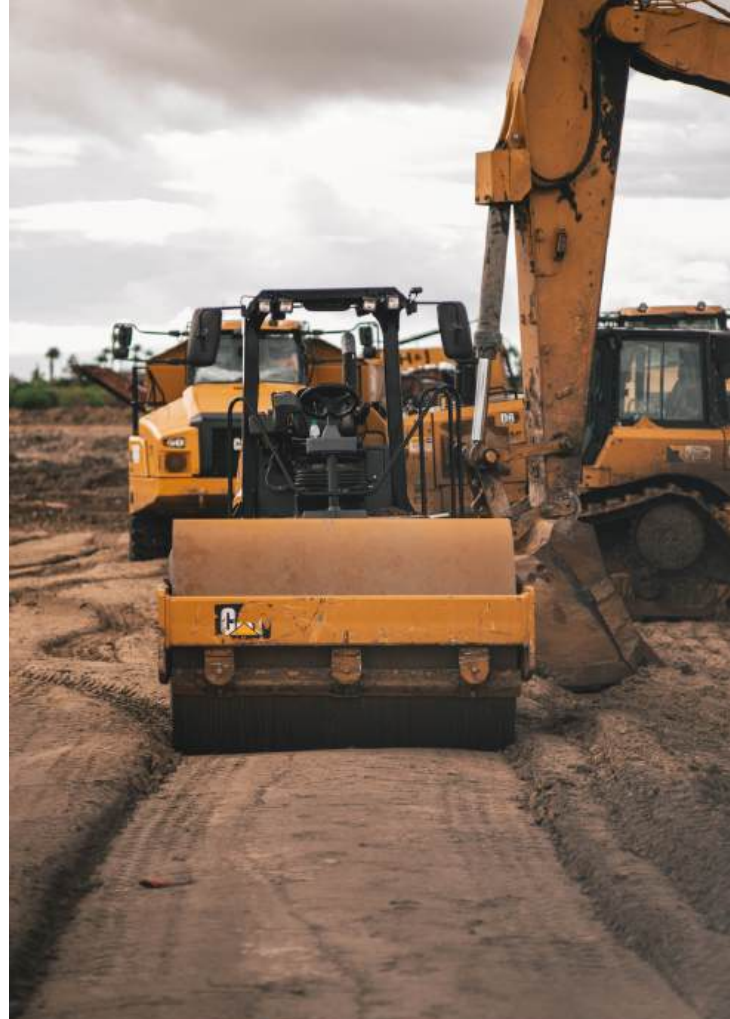

Empowering your vision by Helping
you to build stronger structures

WHO ARE WE?

Maktub Engineering & General Supply Limited is a company that was established in January 2020.

Maktub Engineering & General Supply Limited is a Zambian-owned company operating in the construction, civil engineering, and general supply sectors. The company delivers integrated engineering solutions and dependable supply services to both public and private sector clients across Zambia.

The company's operations cover a wide range of services including building construction, civil engineering works, and the supply of construction and engineering equipment. In addition, Maktub Engineering & General Supply Limited provides general supplies such as office supplies, office furniture, and stationery.

OUR MISSION

To be a reliable partner in the construction and engineering industries by providing high-quality services and products that meet their specific needs.

OUR VISION

To be a leading provider of construction and engineering services and general supplies in Southern Africa.

OUR CORE VALUES

Quality

Innovation

Integrity

Teamwork

Imagine a construction company that truly cares about your vision and works tirelessly to bring it to life. That's what you get with Maktub Engineering & General Supply Limited

OUR SERVICES

CIVIL ENGINEERING

Building Construction

Construction of residential, commercial, and institutional buildings with a focus on quality, safety, and timely delivery.

Road & Bridge Construction

Execution of road and bridge works including earthworks, drainage, and structural construction in line with engineering standards.

Maintenance & Renovation

Repair, refurbishment, and maintenance of buildings and infrastructure to improve functionality and extend service life.

EQUIPMENT SUPPLIES

Equipment Supplies

Supply of reliable construction and engineering equipment for various project requirements.

Equipment Repair

Repair and servicing of construction and engineering equipment to ensure operational efficiency and minimise downtime.

Spare Parts Supply

Provision of genuine spare parts for construction and engineering machinery to support uninterrupted project operations.

GENERAL SUPPLIES

Office Equipment

Supply of office furniture and equipment to support efficient workplace operations.

Stationery

Provision of essential office stationery and consumables.

Office & School Furniture

Provision of durable office and school furniture including desks, chairs, cabinets, and storage solutions.

Construction Materials

Supply of essential construction materials including cement, aggregates, steel, and related building inputs.

General Hardware

Supply of tools, fittings, and general hardware for construction and maintenance works.

Personal Protective Equipment (PPE)

Supply of safety equipment to support safe working environments.

Health and Safety Commitment

Sustainability

We are committed to conducting our business in an environmentally responsible and sustainable manner. From responsibly sourcing construction materials to managing energy consumption and waste, Maktub Engineering & General Supply Limited integrates eco-friendly practices across all operations. Our approach not only reduces environmental impact but also supports long-term community development, efficient use of resources, and the creation of projects that are both economically and environmentally sustainable.

Health & Safety

At Maktub Engineering & General Supply Limited, the safety of our employees, clients, and the public is a top priority. All our construction sites, equipment handling, and operational processes strictly adhere to national regulations and internationally recognised best practices. We implement proactive safety measures, conduct regular training, and ensure that all personnel are equipped with appropriate personal protective equipment. By fostering a culture of safety, we minimise risks, prevent accidents, and create a secure working environment for everyone involved in our projects.
